Things to Know

Hamburger Fold-Fold horizontally

Hotdog Fold- Fold vertically

Folds- Labeled with a small line to show where the fold is and the words hamburger fold or hotdog fold.

Dotted Lines-These are the cutting lines

Cover Labels- Most of the booklets that are folded look nicer with a label on top instead of just a blank space. They will be labeled "cover label."

How Long Does it Take to Complete the Lapbook?

Doing a mini-booklet a day, a 2 folder lapbook takes about 2-3 weeks to complete. However, you can expand the study portion and make it last as long as you like! That's the beauty of homeschooling! Do it YOUR way!

So where do the mini-booklets go?

A color coded and labeled KEY is included. This key shows you where all of the mini-booklets go in each folder. Keep this page handy! You'll also see at the top of the mini-booklet pages another graphic that shows once again where to place the booklet in each folder. So there are TWO ways to see where to place the booklet. We made it easy!! You won't get lost.

Lapbook Assembly Choices

Choice #1 -Do not glue your folders together until you have completely finished both folders. It is easier to work with one folder instead of two glued together.

Choice #2 -Glue all of your folders together before beginning. Some children like to see the entire project as it is being done. Plus, it helps with keeping up with which folder you are supposed to be working in. The choices are completely up to you and your child!

Every child has a favorite superhero. This mini-lapbook is meant to be used with any and all of the superheroes that your child loves.

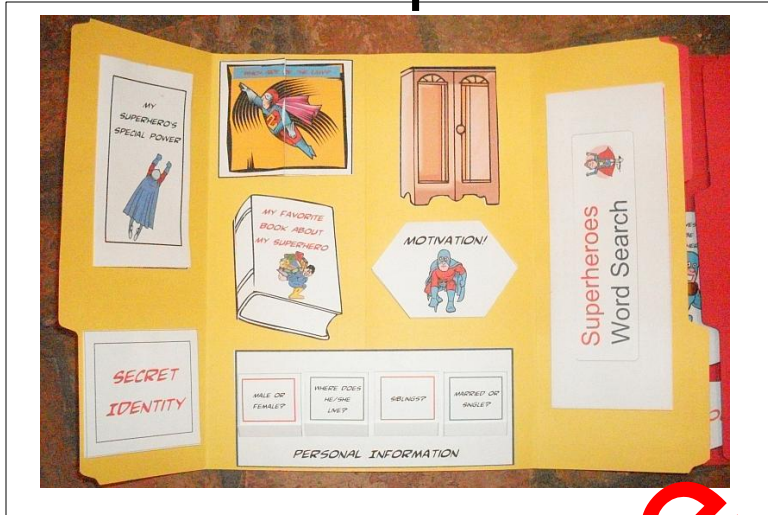

But what about those that your child has created in his (or her) imagination? This lapbook is a great way for your child to put down on paper what they have created in his (or her) head.

It also serves as a great memento of those great stages that our children pass through much too quickly!.

Complete the scene-Draw a picture of your superhero. If you have created your own superhero, then draw what he/she looks like. If you are using a popular superhero, find pictures out of comic books, off of the internet or even coloring books. Cut them out and glue onto this cover sheet. Cut out around dotted lines and glue scene onto top of folded lapbook.

Hamburger fold in half. Cut out around shape. Do not cut fold. Glue into lapbook. Most Superheroes have a second identity. This second identity helps them to live a “normal” life and to help protect their loved ones from enemies they may wish to do them harm. Inside of the booklet, write about your superhero’s second identity.

Some Superheroes work arm-in-arm with the government or local law enforcement agencies. Inside, write about how your superhero helps or works with the government.
