Materials Needed

What you need to get started

- *A printed copy of the Zoology 2- Swimming Creatures of the Fifth Day Lapbook by A Journey Through Learning
- *Zoology 2 Swimming Creatures of the Fifth Day text by Jeannie Fulbright
- *3 colored file folders
- *Scissors
- *Glue (We recommend Xtreme by Elmers)
- *Hole puncher
- *Brads
- *Stapler
- *Crayons and/or colored pencils

To make the storage system

- *Duct tape
- *One 3-ring binder

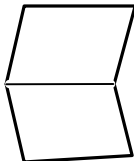

How to Start

This 3-folder lapbook is specially made to go along with Zoology 2 Swimming Creatures of the Fifth Day by Jeannie Fulbright.. Each lesson (chapter) has about two booklets for a total of about 25-30 booklets. Gather three folders and fold them so that they will be ready to use as you go through the lapbook. Directions for folding are included on the following page.

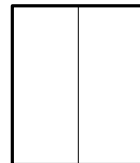

At the top of each mini-booklet page are directions concerning the construction of your mini-booklet, pages to read from the Fulbright book (highlighted in bold text), and what your student will record in the mini-booklet. A small key is also in the top corner to show where to glue each mini-booklet into the folder.

In the back you will find an answer key, additional reading suggestions for each lesson, and enrichment pages.

Hamburger Fold-Fold horizontally

Hotdog Fold-Fold vertically

Folds-Labeled with a small line to show where the fold is and the words "hamburger fold" or "hotdog fold."

Dotted Lines-These are the cutting lines

Cover Labels-Some of the booklets will have a cover label that will need to be glued to the top to cover a blank space.

Folding the folders

1. Gather the number of folders required for your lapbook.

2. Open up each folder and flatten it out.

3. Take the right side and fold it all the way over until the tab is just before the middle crease in the folder. Do not overlap this crease with the tab.

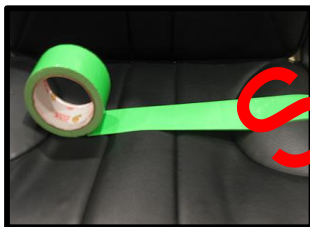

4. Fold the left hand-side over just to the crease but not overlapping it. Your folder now has two flaps. We like to run a ruler down each fold to make the fold neater and flatter. Do steps 3 and 4 to the remaining folders. Now it is time to begin your lapbook.

5. When your child has filled up the first two folders with the mini-booklets, take the two folders and apply a generous amount of glue to their flaps. Stick them together. Now you are ready to prepare them for the storage system. Do the same for the rest of the folders as they are completed.

Making a storage system for your lapbook(s)

This method of storage not only keeps your lapbooks from getting lost but also keeps them neat and readily available to show to dad, grandparents, friends, etc. When they are not being shown off, just place the binder on your bookshelf!

Roll out enough duct tape to go across the folders lengthwise.

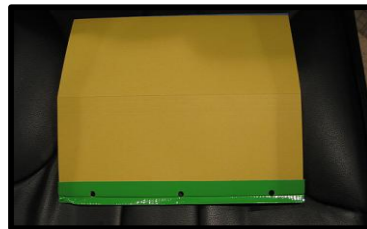

Put duct tape sticky side up. Place binded edge of lapbook on the duct tape (no more than 1/4 inch!).

Then stick duct tape to the other side again about 1/4 inch. There will need to be enough tape to hole punch.

Stick duct tape into hole puncher but be careful not to punch holes in your folders.

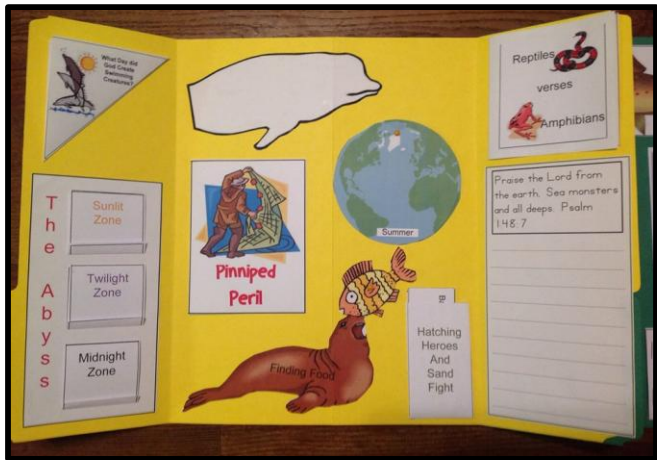

It will look like this.

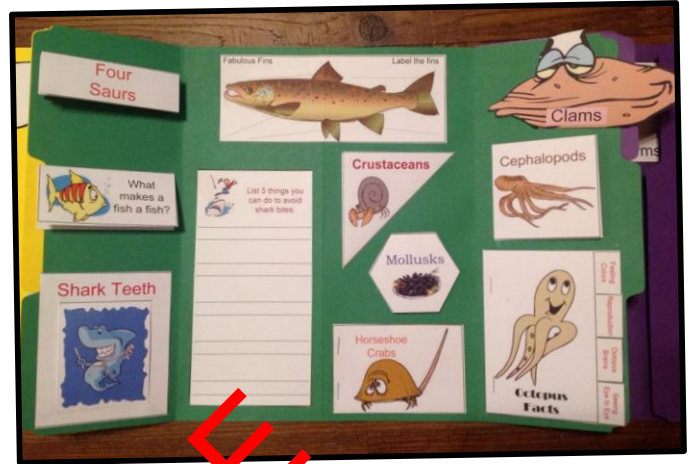

Store folders in 3-ring binder.

My Swimming Creatures of the Fifth Day Lapbook

Name _____

School Year _____

Folder 1

Cut out the big square. Fold in half along the middle line to form a triangle. Glue into lapbook with title showing. **Read Aquatic Animals, pages 1-2.** On what day did God create swimming creatures? Write the answer in the booklet.

Folder 1

Cut out the three booklets. Hamburger fold in half on the middle line. Fold the tab up and over to keep the booklet closed (like a matchbook). Cut out the piece from the next page. Glue the three booklets on the boxes in this order- sunlight zone, twilight zone and midnight zone. Glue booklet into lapbook. **Read *The Abyss*, pages 13-14.** Write about each topic inside the matchbooks.

Sunlit Zone

Twilight Zone

Midnight Zone

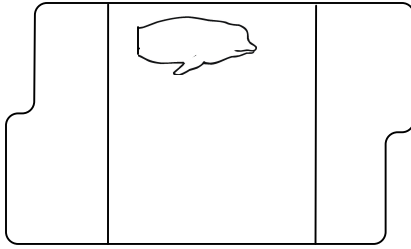

SAMPLE PAGE

The
A
b
y
s

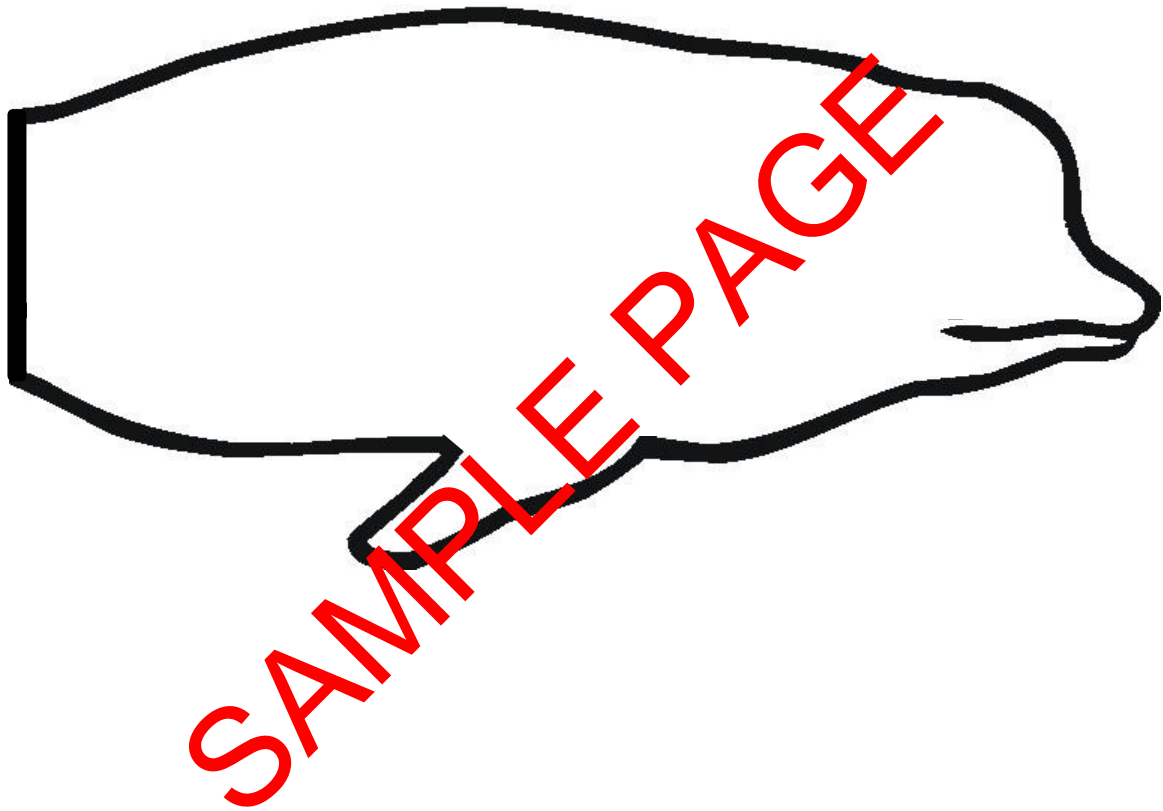

A large rectangular frame containing three smaller, empty rectangular boxes stacked vertically. To the left of these boxes, the letters 'The', 'A', 'b', 'y', and 's' are written vertically in red. A large red watermark 'SAMPLE PAGE' is diagonally overlaid across the entire frame.

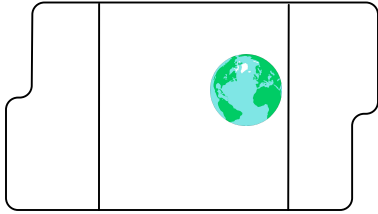

Folder 1

Cut out around shape. Glue into lapbook. **Read Do You Hear What I Hear and Thar She Blows, pages 20-23.** Using the picture on page 22 as a guide, draw the breathing system of a whale. Label it if you have room.

Folder 1

Cut out both pieces. Stack one on top of the other. The order does not matter. Staple at the top. Glue into lapbook. **Read Migration, page 26.** In the summer, whales migrate to the polar region of the world. Circle this region on your booklet that says summer. In the winter, whales migrate to the region around the equator. Circle this region on your winter booklet.
