

Approved Water Supplies

REGULATED HOSE SUPPLY

The Regulated Hose Supply, our number one seller, has no bulky components to mount and no valves to open or close. No tools required — just screw the hose onto a standard garden hose bibb. For use with batteries equipped with Millennium Evo or Pro-Fill systems. (SPW system must have BA-QDV-505 quick coupler.)

| | |
|-------------------------------------|---------------------|
| Regulated hose supply with 20' hose | BA-MS-320-20 |
| Regulated hose supply with 5' hose | BA-MS-320-05 |

PORTABLE WATERING CART

Flow-Rite designed this watering cart with you in mind! This portable watering cart has a small footprint, allowing for easier storage and cost-effective shipping.

| | |

| Portable Watering Cart | BA-MS-115 |
| Rough Terrain Conversion Kit | BA-MS-117 |

ROUGH TERRAIN WATERING CART

Railyards, mine shafts and construction sites are notorious for rough, uneven ground. Topping off batteries in these areas can be a challenge. The Rough Terrain Watering Cart from Flow-Rite is ready for the toughest work conditions.

| Rough Terrain Watering Cart | BA-MS-116 |
|-----------------------------|------------------|

DEIONIZER

Maximizes battery life by removing ions and heavy metals that are present in tap water. The separate bed deionizer uses an ion exchange cartridge to filter the water before it enters the battery.

| | |
|-----------------------------|------------------|
| Deionizer, Battery Operated | BA-MS-340 |
| Replacement Cartridge | BA-221 |

GRAVITY TANK

- BA-MS-700, w/ shelf & auto refill
