

# GT 5/6” GOOF RINGS FOR RECESSED LIGHTS

Extend trim size and cover rough drywall or oversized holes in your ceiling with this thin profile Goof Ring. This ring fits around 5” or 6” recessed lights and features a matte white finish. Hold it in place between your retrofit light and the ceiling for a clean look.

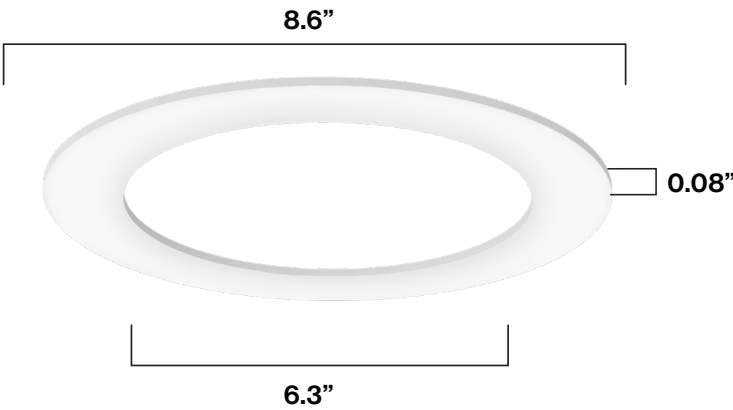

## MODELS

GR56

## INSTALLATION

Goof Ring is held in place by Recessed Light Fixture.  
(Recessed Light Fixture not included)
