

CA11 LED CANDELABRA FILAMENT BULB, DUSK TO DAWN

Sunco CA11 LED bulbs feature a traditional, clear glass housing with a high tech filament inside. A Dusk to Dawn sensor provides automated lighting without a timer. The candle tip adds a decorative flair to your exterior lighting, such as sconces or retro wall lanterns.

CERTIFICATIONS

SPECIFICATIONS

Voltage	120V
Wattage	5W
Current	0.065A
Power Factor	0.50

LIGHTING PERFORMANCE

Lumens	500 lm
Equivalency	40W
Frequency	60 Hz
Color Rendering Index	82
Beam Angle	300°
Dimmable	No
Efficiency	114 lm/w
Color Temperature	2700K/3000K/4000K/5000K

ENVIRONMENT

Operating Temperature	4° F - 104° F
Moisture Rating	Damp

CONSTRUCTION

Housing Material	Glass + Plastic
Weight	0.037 lbs

LIFETIME

Average Lifetime	15,000+ hrs
Warranty	5 Years
