

T8 18W CLEAR TUBE LIGHT BALLAST BYPASS

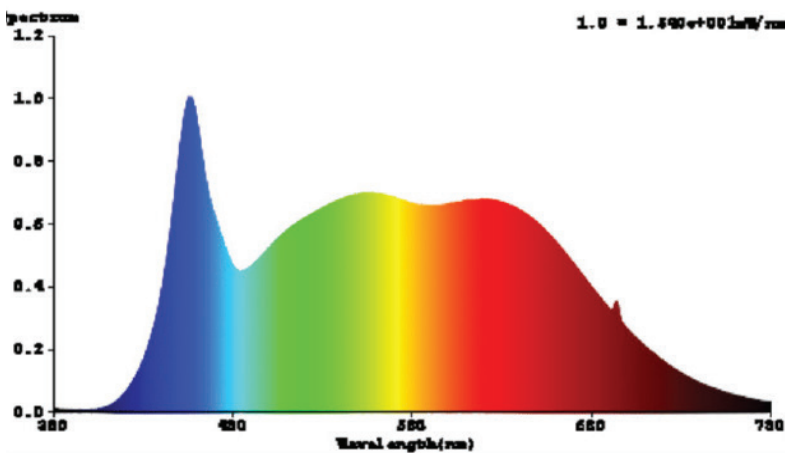

A brighter lighting option for your replacement tubes, the Sunco T8 18W Clear LED Tube features a very bright 2200 lumens with only slightly more watts consumed. The 50,000 hours increase the longevity of this single ended power (SEP) LED tube. It requires less relamping, compared to traditional tubes. Compatible with 110-227V.
