

2-0240D & 2-0245D-A

Drum Type / Round Puff

Ceiling Fixture

Features

Housing

Die-formed Cold-rolled Steel

Finish Options: -30 Oil Rubbed Bronze, -06 White, -62 Satin Nickel

Optical

Shade: High Transmission Acrylic Create Excellent Light Distribution and Uniformity

LED: High Efficiency, High CRI, Binned and Mixed to Reach Uniform Light

Electrical

High Power Factor, Low THD

Lamp

Built-in LED Module

MCT Type: Get Preferable Fixture Color Temperature by Slide Switch on LED Board

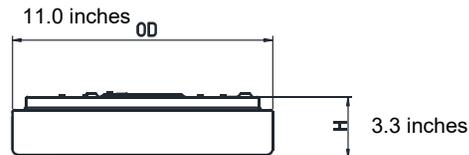

Color Temperature Option – 3000K, 3500K, 4000K

Certifications

ETL/cETL Listed, Suitable for Damp Locations

Warranty

5 Years Warranty on Driver and LED Module

LED Type
