

## LED Selectable Vapor Tight Fixture

Elevate your lighting solutions with our Vapor Tight Light Fixture, designed to excel in even the most demanding environments. This weatherproof marvel guarantees brilliant illumination with energy-efficient LED technology, ensuring optimal visibility in settings ranging from industrial facilities and parking garages to commercial kitchens and workshops.

### MODELS

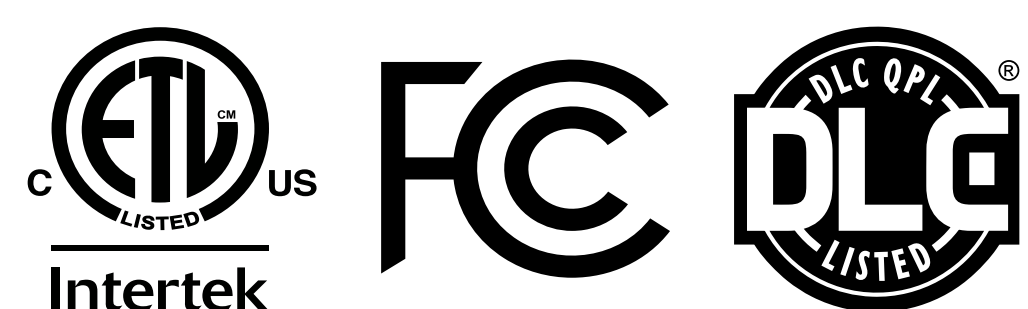

VT\_DU-WH-3550K

### LIGHT DISTRIBUTION ANGLE

NOTE: The curves indicate the illuminated area and the average illumination at different distances.

### CERTIFICATIONS

### SPECIFICATIONS

Voltage	120V-277V
Wattage	30W/40W/50W
Power Factor	>0.9

### LIGHTING PERFORMANCE

Lumens	Up to 7000lm
IP Rating	IP66
Frequency	50/60Hz
Amps	0.458A
Beam Angle	120°
Dimmable	0-10V
Efficacy	140lm/w
Color Temperature	3500/4000/5000K

### ENVIRONMENT

Operating Temperature	-22°F - 113° F
Moisture Rating	Wet Rated

### CONSTRUCTION

Housing Material	Polycarbonate
Weight	4.1 lbs

### LIFETIME

Average Lifetime	50000 Hrs
Warranty	7 Years
