Product Code: 1030

## ENGINE CRANE LOAD LEVELLER

**680KG SAFE WORKING CAPACITY**

The perfect accessory for our engine cranes, this TradeQuip "Made for the Trade" Engine Leveler reduces the hazards and hassles out of balancing heavy, awkward loads and helps protect engines, transmissions and vehicle damage. Perfect for removing and installing engines, it easily adjusts the angle of the engine simply by turning the swivel handle and is compatible with most good brands of engine cranes. The load leveler includes four 300mm chains with support brackets for increased load security and safety.

### FEATURES
