Fabricated Offset Vice 150mm 6"

Product Code: 7007

This TradeQuip "Made for the Trade" Bench Vice is designed for all heavy duty work and manufactured from heavy steel plate. Precision machined surfaces ensures a long life smooth operation with case hardened replaceable steel jaws, replaceable nut, corrosion resistant screw and handle. The offset design offers the convenience to hold a long vertical workpiece in the full width of the jaws without obstruction from the main body of the vice. This is an all steel fabricated offset bench vice, manufactured from heavy steel plate and strong welded finish. The surface hardened slides provide a smooth, precise and efficient operation.

Features

- Offset jaws allow the workpiece to be held in a vertical position
- Fixed offset base - right hand
- Solid fabricated steel construction
- Precision machined screw and handle
- 4 mounting holes (20mm Dia)

Specifications

- Jaw Width: 150mm / 6"
- Jaw Movement: 215mm / 8.5"
- Overall Width: 282mm
- Overall Height: 189mm
- Maximum Opening: 175mm
- Overall Length: (closed jaw) 496mm
- Nett Weight: 25kg
- Carton: 510 x 295 x 210mm
- Gross Weight: 26kg

Polyurethane Vice Jaws 115mm

Product Code: TQWH1800

These TradeQuip "Made for the Trade" 115mm 4-1/2" soft jaws are made of a soft polyurethane and attach to a bench vice instantly with magnets. Now you can firmly hold painted parts or soft metals like aluminum, brass and copper without damage. Clamp delicate materials like glass and porcelain without cracking them. No special installation necessary, they simply slip over existing vice jaws and are held in place with magnets. Universal for all vices.

Features

- Magnets holds jaws in place
- Protects workpiece from marking
- Simple to use, simply place over existing vice jaws
- Grip machined & polished parts without scratching
- Universal for all vices

Specifications

- Width: 150mm
- Nett Weight: 189g
- Packaging: 215x140x33mm
- Gross Weight: 219g
