**MADE FOR THE
TRADE**

About the brand

Our Flagship brand of garage and workshop equipment, TradeQuip is designed for use in a demanding garage and workshop environment by trade users. With proven and trusted "Made for the Trade" reliability, TradeQuip branded products offer the very best in performance for an affordable price. The TradeQuip range is covered by a 12 month trade use warranty.

Mobile Steel Workbench - 1100 x 700mm

Product Code: 1073T

The TradeQuip "Made for the Trade" Mobile Workbench combines the strength of heavy-duty enamelled steel with the convenient mobility of two 360° lockable swivel castors. Designed for easy maneuverability on uneven surfaces, each castor locks fully in place to hold the workbench steady for projects requiring precision. It's even stylish enough to roll up next to the BBQ for backyard get-togethers.

Easy to move in any direction this workbench is great as a middle-of-the-workshop assembly table, extra worktop, or even a primary workbench for smaller workshops. When in the desired position, engage the two swivel wheel castor brakes to avoid any unwanted movement. The rugged, all-purpose design goes where you need it to... and stays there to get the job done...

Versatile and undeniably strong, TradeQuip workbenches are developed with sophisticated designs to endure demanding industry and heavy duty commercial applications.

Features

- Sturdy steel construction workbench
- Bottom shelf that allows unobstructed access
- High gloss enamel finish
- Quality castors - two fixed and two locking swivel
- Heavy-duty handle

Specifications

- Load Capacity: 300kg
- Work Surface: 1100 x 700mm
- Dimensions: 1100(L) x 700(W) x 830(H) mm
- Nett Weight: 60kg
- Carton: 1140 x 740 x 110mm
- Gross Weight: 63kg

Mobile Tear Down Bench - 1200 x 640mm

Product Code: 6047

The TradeQuip "Made for the Trade" Mobile Tear-Down Bench combines the strength of heavy-duty enamelled steel with the convenient mobility of four 360° lockable swivel castors. Ideal for automatic transmission and engine parts repair, this unit has a top that angles slightly to a fluid drain feature. Fluids are safely contained in a removable plastic bin (8 Litre capacity) or the unit may be connected to a centralized drain system. With ergonomic adjustable leg height this work bench is easy setup for safe comfortable operation in any part of the workshop with heavy duty 100mm castors (2 rigid & 2 lockable swivel).

This workbench is great as a middle-of-the-workshop assembly table, extra worktop, or even a primary workbench for smaller workshops. When in the desired position, engage the swivel wheel castor brakes to avoid any unwanted movement. The rugged, all-purpose design goes where you need it to... and stays there to get the job done...

Fitted with adjustable work height, this workbench offers comfort and less back strain resulting in more productivity. The 14 gauge 1200 x 640mm table top has a 13mm rim that will contain all liquids. This work bench is fitted with a lockable drawer for security, alongside a removable (polyethylene) drain pan for convenience.

Features

- Ideal for Engine and Transmission Rebuilds
- Heavy Duty Rolled Edge Steel Construction
- Convenient Removable Drain Bowl
- 13mm Benchtop Rim to contain Leaking Fluids
- Quality Castors (2 swivel with brake)
- Key Lockable Steel Drawer with Ball Bearing Slides
- High Gloss Enamel Paint Finish

Specifications

- Load Capacity: 250kg
- Bench Top Capacity: 150kg
- Bench Top: 1200(L) x 640(W)mm (with 13mm rim)
- Shelf Capacity: 100kg
- Shelf: 1110(L) x 460(W)mm
- Drain Bowl Capacity: 8 Litres
- Castor Wheels: 100(D) x 25(W)mm
- Dimensions: 1200(L) x 640(W) x 875(H)mm
- Nett Weight: 56.5kg
- Carton: 1250(L) x 740(W) x 240(H)mm
- Gross Weight: 62kg

Steel Workbench 5 Drawer

Product Code: 1013T

Specifically designed for professional workshop use, the TradeQuip "Made for the Trade" Steel 5-Drawer Workbench is manufactured from high quality, heavy-duty steel and features a large surface for more work space. Featuring two large shelves for convenient storage of large parts, the 5 ball bearing smooth sliding drawers to store away tools and materials. The tough high gloss enamel finish is designed to provide years of protection against normal wear and tear in a trade environment.

Versatile and undeniably strong, the TradeQuip "Made for the Trade" workbenches are developed with sophisticated designs to endure demanding industry and heavy duty commercial applications.

Features

- 5 ball bearing slide drawers
- Two shelves that allow unobstructed access
- Heavy duty steel construction
- High gloss enamel paint finish
- Extra strength rolled drawer edges

Specifications

- Total working load capacity: 250kg
- Table top capacity: 75kg (evenly spread)
- Drawer capacity: 25kg (each)
