

## Relay Sockets and Sets SNR

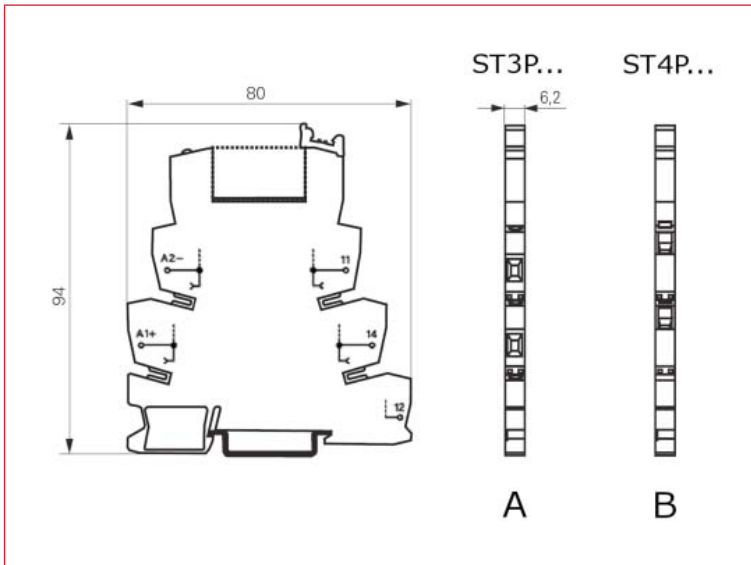

ST3FLC4

### Schrack-Info

- Relay package consisting of a relay and a DIN rail socket
- 1 CO 6 A rated current
- Safe disconnection compliant with VDE0160 in combination with socket YRT78626
- Module width only 6.2 mm
- Narrow component width allows high component density and tight-packed functionality on the DIN rail
- Complies with the 2002/95/EC RoHS Directive
- Protection diode
