EXPERIENCE ART[®]

"Angela and I are thrilled to offer a glimpse at Plum Bottom Gallery's 2022 Summer art and jewelry collection. Since opening in 2007, our original gallery, nestled among the prairies and woods on Plum Bottom Road, has grown to include over 150 nationally-collected artists and jewelry makers. In 2019, as the walls filled with art on Plum Bottom Road, we expanded to a second location in Downtown, Egg Harbor. Now in 2022, with our artist-family continuing to grow, we are pleased to announce the opening of our third Door County gallery in Fish Creek!

We hope you'll visit us and make Plum Bottom part of your Door County adventures. Whether looking for that perfect piece of art for your home or an anniversary gift in diamonds and gold, Plum Bottom invites you to experience art and celebrate creativity in our three Door County locations. We are honored to be taking this next step with you and hope you can join us for the Grand Opening of our Fish Creek gallery Sat. June 18 from 4-7pm. As always you can visit us anytime at PlumBottomGallery.com. See you soon!"
