

# SINGLE PISTOL MAG POUCH

The TPG BLACK™ single pistol mag pouch is designed for most common double stacked magazines available on the market. The reinforced opening maintains its form allowing for quick “holstering” of the magazine and there is a drainage eyelet located on the bottom. Each Pouch comes with a removable shock cord retention, a PAL strap and a hook & loop strap allowing the end user to mount it on a PAL platform or a belt. Drainage eyelet located at the bottom with removable shock cord retention. Each pouch comes with a MOLLE strap and a hook & Loop strap allowing the end user to mount it on a PALS platform or a belt.
