

## Versavu 360° Rotating Case

The original and only rotating iPad case...

Available for  
**New iPad®**  
**2022**  
(Gen 10)

### A Superior iPad® Experience

Our patented 360° rotating iPad tray delivers seamless portrait and landscape use; switch positions for video calls or watching videos using the deep grooves on the interior cover to create non-slip, stable viewing angles; and the integrated stylus holder conveniently stores your stylus or Apple Pencil®. With a precision cut tray to fit iPad ports, buttons and cameras, sound scoops direct speaker sound towards you for an enhanced audio experience.

### Every case features Military Standard drop protection

The MIL 810G 1.2m/4ft drop protection is a test standard set by the US Department of Defence and is generally accepted as the benchmark for ruggedised protection of mobile computers and equipment.

#### Tests include:

- 4ft/1.2m drop protection testing, 25 drops on concrete – no device damage
- Dust and water splash tests

\*As tested by an independent third party applying MIL-STD-810G, Method 516.6, Procedure IV.

## Versavu 360° Rotating Case

Available for most iPad® models in a range of different colours
