

## Olive Oil

**INCI Name:** Olea Europea

We obtain our Olive Oil from an organic supplier in Italy where it is produced sustainably.

**Functions:**

Moisturiser, Antioxidant.

**Attributes:**

Olive oil is rich in antioxidants which provide cellular protection against free radicals. It can be used to hydrate and cleanse the skin, while also balancing natural oil skin production, leaving you with radiant skin, opening up skin pores and allowing them to release dead skin cells and other impurities.
