

HAND ON HEART  
JEWELLERY

# Photograph Locket Guide

## PRINTING THIS GUIDE

1. Print onto plain white A4 paper (210mm x 297mm)
2. Make sure 'paper scaling' is set to 100% in your printer settings/options

## SIZING & INSERTING YOUR PHOTO

- Print this page using the tips above
- Find your locket shape from the options below & carefully cut around it
- Place the cut out shape over your chosen photograph
  - Lightly trace the locket shape over your photo
- Carefully cut around the traced line to leave the perfect sized photo for your locket
- Gently insert the photo into your locket. You can glue it in place if you would like.
