

# A Night of Light with New Creation VA

Dear Community Supporter,

We are in full force planning our annual "A Night of Light" Fundraiser and want to send you a special invitation! We truly value our community's support of New Creation and believe that with your help, this event will be a great success! This year it will be held on **Tuesday, October 1st, at 6 PM** at a brand new venue for us, **Frieden Farms!** The doors will open at 5:30 PM + the evening will include music, delicious food, a photo booth, as well as a Fair Trade Silent Auction.

Our purpose for the evening is to highlight all you have helped us achieve within the last year. Also, we would like to share with you our vision for the future of New Creation as BIG things are coming! Last year our community raised **over \$140,000** through A Night of Light, which allowed us to do so much more in our community and beyond! Once again, we are hoping to **exceed that number** to continue sending a powerful message of hope, healing, and freedom to all of those we serve.

Along with this letter, you will find specific details of all our sponsorship opportunities. Please consider the level that best fits your needs and return the enclosed commitment form no later than **June 15, 2024**. Sponsors will still be accepted after the deadline, but we may not be able to extend the full benefits intended.

Thank you for your consideration in supporting this event. We would not be where we are without community members like you! As we partner together in combating human trafficking here in the Valley and around the world, your impact will make a difference.

For Freedom,
