

THE BENDED

Solid, graceful and curvy. The Bended knows its place: it's in its element next to The Bench. Together they form a cheerful pair and, above all, a stylish duo that brings out the best in each other.

MATERIALS

The Bended has similar traits to its brother: it's made from 8 mm-thick powder-coated aluminium. With the greatest attention to detail and finish. Also suitable for public spaces: mounting attachments on both sides possible.

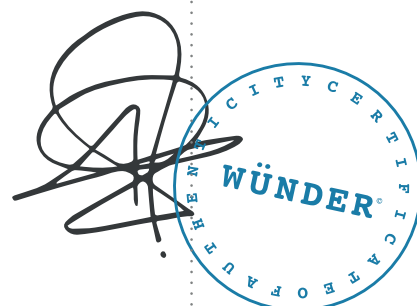

SPECIFICATIONS
