Vessels

Show a distinctive sense of style in your bathroom with a Barclay vessel sink. Crafted in artistic shapes these beautiful basins can be mounted on top of cabinets, console tables, custom shelves, or even dressers to elevate the design of your home to a new level. Barclay offers stunning designs that are further enhanced by the remarkable materials from which they are created - warm hand hammered copper and gleaming stainless steel. Our selection of natural stone offers one-of-a-kind creations in granite, marble, sandstone, travertine, and concrete. Of course, the pristine beauty and durability of fine fire clay and vitreous china never go out of style. The basin that will individualize your bath or powder room awaits you at Barclay.
