Please note, each female and male connection have arrows on the ends. Please align the arrows for a proper connection.

BLUETOOTH SETUP

1. Download the Magic Light app on the Play Store or the App Store.
2. Before you can connect to the app, the Rock lights will need to be connected to power (12V) and ground. As soon as power is supplied, open the app and follow the instructions as follows.
3. Scan for available devices.
 - Look for LEDBLE-(Controller #)
 - Click "Connect" and set the settings according to the picture below.

SET THE FOLLOWING SETTINGS

4. Once you confirm the settings, click "Connect" again.

INFORMATION

1. Before mounting your Rock Lights, connect each pod to one of the connections on the splitter. With a 12V power source, thoroughly test your kit and make sure everything is working correctly. PLEASE make sure you have the correct settings on the controller. If you do not, the colors will be off.

WARNINGS

1. Cutting, splicing, or any other tampering with the LED pods, wires, or controller will void the warranty.
2. Adding your own wires to the Bluetooth Controller and driver will void the warranty.
3. If you have a degrading/weak battery, please replace your battery before installing your kit.

DISCLAIMER

Please refer to local and state laws for the proper use of this product. Improper installation of electrical products such as lighting could cause damage to a vehicle's electrical system or connected devices. Practice extreme caution and follow all established safety procedures and common-sense best practices. This product could require the handling of high voltage wiring. Electricity could cause injury or death. Professional installation is recommended. Lit Lightz will not be held responsible for any damage or cost, whether direct or indirect, incurred by the consumer concerning any Lit Lightz Product..

In some cases, Lit Lightz products may not meet your local law enforcement regulations. All Lit Lightz modifications and installations are at the customer's discretion. Lit Lightz or www.litlightz.com hold NO responsibility either implied or otherwise for mechanical, electrical, or other failures when using our products.
