

LinearMat Uni

The ultimate slip resistant matting solution.

-  Reducing slips and standing fatigue at work.
-  Hard wearing PVC grid matting modules providing comfort and slip resistance.
-  LinearMat Uni matting is also available in standard size modules with fitted edging on 3 sides to identify work areas, prevent hazards and fit snugly against work stations.
-  LinearMat Uni is made from 2 layers of non-porous, flexible PVC that are welded together to create extra strong joints. Its diamond tread surface and proven anti-fatigue properties make it one of the most suited mats for reducing standing fatigue, whilst improving comfort in work environments.

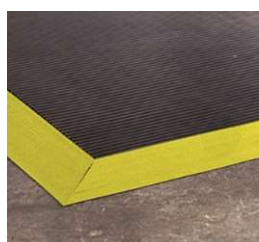

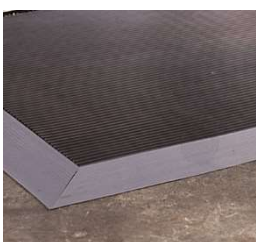

LinearMat Uni

Document reference DS-SR-SMU-02.18/01

PRODUCT	HEIGHT	STANDARD MODULE OPTIONS	
LinearMat Uni	15mm	1.2 x 0.8m	1.5 x 11m

BENEFITS	FEATURES
