

LinearMat

The ultimate slip resistant matting solution for industrial use.

-  Automatic drainage combined with an extra aggressive diamond tread surface for increased slip resistance make LinearMat especially effective wherever oil, water, liquid and debris spillages are likely.
-  Increase safety, comfort and productivity in the workplace with LinearMat.
- 
 - LinearMat offers a slip resistant, anti-fatigue matting solution which can be relied upon to perform in wide ranging heavy duty commercial and industrial applications.
- 
 - LinearMat is made from 2 layers of non-porous, flexible PVC that are welded together to create extra strong joints. It is available in rolls or modules with accessories to suit all needs.
