### Charging your device

1. Connect the charger to the charging socket on the headset.
2. During charging, the indicator light will turn red.
3. When the headset is fully charged, the red indicator light changes to blue. Unplug the charger from the headset.
4. Use only earphone approved chargers, Unauthorized or Non-earphone chargers could cause damage to the headset, it could also invalidate any warranty on the product.
5. Repeatedly charging and discharging of the headset, over time will cause the battery performance to diminish . This is normal for all rechargeable batteries.

### Pairing to mobile phone or other device:

Pairing means unique and encrypted wireless connection between two Bluetooth devices when they agree to communicate with each other, in pairing mode. Both devices should be placed close enough to communicate.

### Pairing to a phone or entertainment:

1. Activate the Bluetooth function on your phone and search for the Bluetooth headset (see your phone's user manual)
2. Turn on your device and turn on the pairing mode.
3. Select the "Overtime Metal Alloy" from the list of devices found by your phone.
4. If requested enter the Bluetooth PIN 0000(4 zeros)to pair and connect the headset to your phone.
5. When your phone will confirms the pairing, press yes/Ok
6. Now with your phone you can listen music, watch TV/movie and play game, hear all the sound or music from the device. You can also control the player and control volume level and previous/next music song.

4

### Warning & Cautions

**Read all safety instructions and warnings prior to using this product.** Improper use and failure to follow safety guidelines could result in damage, excess heat, toxic fumes, fire, explosion, electrical shot or other hazards causing serious and/or fatal injury and/or property damage and not the manufacturer's responsibility. The user is responsible for maintaining this product with care for maximum use.

1. Do not store at extreme temperatures (below 40° F or above 90° F)
2. Recharge your ear buds with the included Micro USB charging cable or a certified 3rd party and a 2A charging adapter. Standard cables and adapters may charge the battery too slowly and damage/overheat the battery or cause a fire hazard.
3. Avoid excessive drops, bumps, abrasions or other impurities. If there is any damage such as dents, punctures, tears, deformities, or corrosion, discontinue use and contact the manufacturer or dispose of in an appropriate method.
4. Under any circumstances, if you find this product rapidly increasing in temperature, emitting odor, deformed, abraded, or demonstrating an abnormal phenomenon, discontinue use immediately.
5. Do not use the unit in the vicinity of flammable liquids or gases such as propane tanks, large engines or high voltage devices.
6. Do not modify, disassemble, repair, crush, puncture or shred this product.
7. This product is not a toy - keep away from children.
8. Unit is not waterproof. Do not submerge or expose to corrosive materials. Do not clean with harsh chemicals, soaps or detergents.
9. Disposal of unit in the garbage is unlawful under state and federal environmental laws and regulations.
10. For best maintenance, do not store in a depleted state as the battery power cells can be damaged.
