There is a 24 hour cancelation policy.

Cancellation Policy: You have 24 hours prior to your scheduled time to cancel, otherwise you are financially responsible. If you reschedule within that 24 hours and someone takes your opened spot, you aren't financially responsible. If it remains open and you rescheduled with less than 24 hours notice, plan to pay for that appointment before your next scheduled appointment.

If it is less than 24 hours, the system won't allow you to cancel. However, you can reschedule for a later day/time. That way your reschedule opens the appointment time for someone else. You can always cancel the later appointment. However, if you cancel with less than 24 notice and no one else takes that appointment, it still remains yours.

Future appointments are canceled if more than one appointment is missed without notice.
