

OMEHA

Massage Candle

4 oz / 120 ml

DESCRIPTION :

Désirables' vegan massage candle is the **perfect mix between a scented candle and a massage oil**. Made from **vegan soy wax**, this **hand poured massage candle** is made from high quality essential oils giving it a subtle, but captivating light aroma of citrus. The blend of ingredients is luxurious and moisturizing creating an hydrating massage lotion. Whatsmore, each candle is hand poured and packaged in Montreal, ensuring the highest quality possible.

The soy wax will warm just a **little bit above the body's temperature** giving a hotter touch to any massage sessions. Enriched with vitamin E, this accessory will create a sensual and romantic atmosphere in addition to being used as a massage lotion thanks to its luxurious silky and creamy texture.

PRO TIP :

Let it burn for 15 to 20 minutes to melt a small amount of wax, then pour directly into the hand or turn off and wait 5 minutes then pour in the hand before applying to the body.

Make sure you always test the temperature of your wax before pouring it on your partner or yourself.
