

Custom Branded Packaging from Enviromall.

Enviromall handles the entire process from Design to Delivery.

Email us at sales@enviromall.co.za to start branding your packaging today.

Why use Enviromall for your Custom Branding Needs?

- Tailor-made solutions to meet every need
- We can warehouse and deliver as required
- Payment 30 days from statement to approved accounts
- Warehousing in Cape Town & Johannesburg
- Enviromall is ISO 22 000 Compliant
- We hold stock so there is no delay when ordering in future

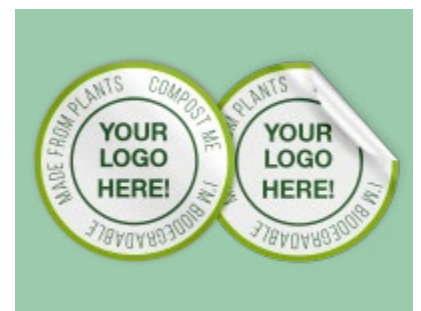

Why brand your products?

- Build your brand – brands give the consumer peace of mind
- Make sure that customers know you have switched to going green!
- Branded products are a walking advert
- Stand out from the ordinary!
- Looks more professional and you could possibly charge more for your product and service

Add some eco-friendly stickers

- Great for all compostable packaging, from kraft boxes to bags, tissue paper and more!
- Our custom paper stickers are perfect for branding your business just the way you want.
- FREE - Enviromall's graphic design team can design a custom sticker just for you.
- Low order quantities available.
- Different size stickers available.

How does the branding process work?

- 1 Consult your Enviromall agent to discuss the most suitable option.
- 2 We will send you the appropriate template to complete artwork. We are also able to assist you with artwork
- 3 We will create a mock-up for your approval. We welcome any changes - big or small - to ensure you are happy with the final result!
- 4 We will advise on the manufacturing process lead time as well as send out the quote/invoice
- 5 We offer several different payment options - please do speak to your Enviromall agent on what will best suit you
- 6 Once we have the products in hand - we will arrange a delivery time that suits you
- 7 Then you can show off your eco friendly branded product to all your customers!
