KITTEN POCKET PATTERN

INSTRUCTIONS

- 1. Cut a piece of fabric slightly larger than the pocket and complete the kitten face embroidery.
- 2. Cut out the pocket and both ears.
- 3. Turn under the raw edges of each ear to the wrong side and press. A glue stick is helpful to hold the edges in place.
- 4. Pin and zigzag the first ear to the garment. Place the second ear next to the first ear. Pin and stitch.
- 5. Turn under the raw edges of the pocket to the wrong side and press. A glue stick is helpful to hold the edges in place. Turn the top of the pocket to the wrong side along the fold line and press.
- 6. Place the pocket on top of the ears and zigzag the sides and bottom back stitching at the beginning and end.
