## **Brass Finishes**

Finish	Description	Image
Polished Brass Unlacquered	Hand polished brass. This is a living finish that will continue to naturally patina and age over time.	
Satin Brass Unlacquered	Hand brushed brass. This is a living finish that will continue to naturally patina and age over time.	
Aged Brass	Hand brushed brass, which is then chemically refinished to give the product a natural aged finish. This is a living finish that will continue to naturally patina and age over time.	
Polished Nickel	Nickel plate over brass, hand polished to achieve a warm, bright finish.  This finish will naturally patina over time but can be brightened with a metal polish.	
Brushed Nickel	Nickel plate over brass, hand brushed to achieve a warm, matt finish.	
Polished Chrome	Hand polished, polished chrome plate over brass, achieving a bright finish.
