

Cottonique

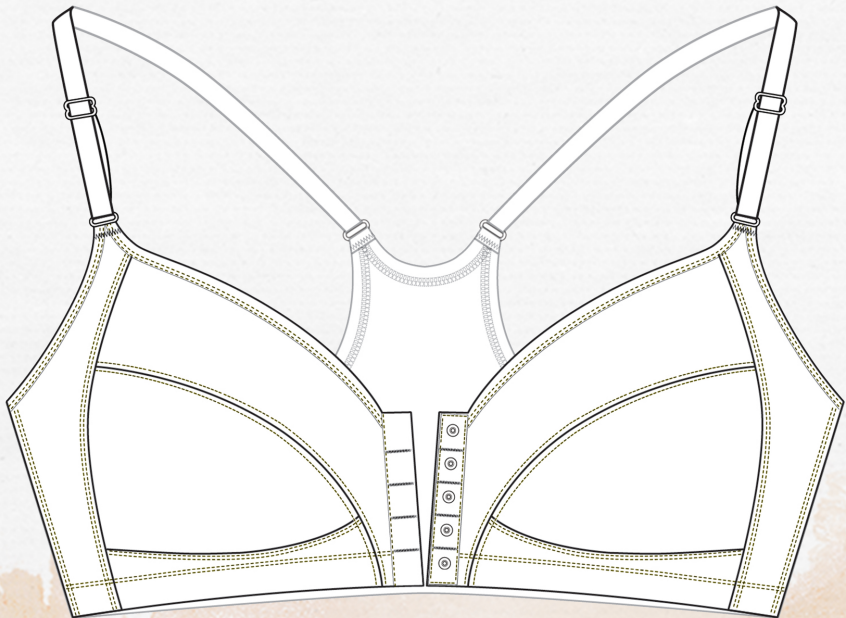

ALLERGY-FREE APPAREL

The *Deborah* Racerback Support Bra

Cottonique is a perfect solution to making life with allergies and other skin sensitivities more comfortable for men, women, and children.

The products include latex/spandex-free and chemical-free 100% cotton bras, briefs, shorts, t-shirts, and nightwear, both in elasticized styles. Cottonique eliminates the use of bleaching compounds, color dyes, and textile resins that can pose a threat to sensitive skin. The cotton used is 100% organically-grown and the fabric is highly absorbent and breathable.

Technically designed to give women the feeling of being wrapped in an everyday **Cloud Nine**.

Organic, allergy-free, non wired bra for all sizes from 34B to 44E with discreet, front fastening poppers. Soft and gentle underband encased in latex-free rubber makes you feel weightless and gives you the ultimate heavenly support day in, day out.

Fit + Support + Comfort = Cloud Nine

WASH & CARE INSTRUCTIONS:

Hand Wash, Mild Detergent

We recommend hand-wash or gentle machine wash with laundry bag at 30°C or lower. Use only dermatologist recommended organic based detergents.

After Wash Care

After washing an organic cotton bra, it is normal for it to feel tighter, it will ease with wear and will warm to the body. Reshape the bra whilst damp.

Do Not Bleach

Do not bleach Cottonique products as it will damage the hypoallergenic properties and aesthetics of the fabric.

Hang To Dry, No Tumble Dry

Rinse it thoroughly then hang to dry, no direct heat.

Iron Dry or Steam, Low

Iron or steam with low heat if needed.
