

GREEN DESTINY Peta Certified Vegan Cruelty Free Dipping Powder

1. Apply BOND to the whole nail and then BASE to three quarters of the nail.

2. Immediately dip into Natural powder.

3. Apply Base to the whole nail.

4. Immediately dip into desired GD dip powder. Repeat steps 3 and 4 one more time.

5. Wipe the surface with a wipe or a brush to remove excess powder.

6. Apply Base to the whole nail and immediately dip into Clear powder. Apply Base again and let air dry completely.

7. Apply Seal Protect. Buff and shape, have the client wash her hands, apply one more layer of seal protect, and wipe the nail clean.

8. Apply Top Coat and let air dry for at least two minutes before adding a second layer of Top Coat for optimal shine.
