Engineering | Scientific | Graphics & Posters

SureColor T-Series: Applications

Professional
Imaging

Architects

Drawings and renderings right at your desk

Graphic Design

Quickly output full size comps

Engineers / Construction

Compact printer for producing technical prints right at a job site or in a mobile trailer

Edu / Corp Graphics

Print posters, signage, process maps, large spreadsheets all in-house

PrecisionCore Print Head Technology

Professional
Imaging

Extreme Print Quality and Precision

- Capable of high resolution printing – up to 2880 dpi⁵
- Precision ink drop control for outstanding clarity and sharpness
- Extreme accuracy - variable size droplets as small as 3.5 picoliters

Commercial Grade Reliability

- Designed to last the life of the printer - print head is not a consumable
- Developed for use with Epson UltraChrome® aqueous ink for high reliability

Low Maintenance

- Nozzle Verification Technology (NVT) – automatically detects nozzle condition and adjusts if clogged
- Ink repelling coating reduces the chance of a nozzle clog

SureColor T-Series: Product Line Overview

Professional
Imaging

Entry Level CAD

- Great for desktop use
- Quick access to print D-sized plots
- Simple setup and easy to use

SOHO

Mid-Range CAD Printing

- Workgroup technical plotting
- Fastest printer for D-sized plots²
- Print indoor matte borderless posters

Small-Mid Office

Production CAD & Graphics

- Fast printing with low TCO
- Versatile media options
- Optimized for CAD and Graphics

Enterprise – Prod Graphics

Internal Print Server **Adobe® PostScript® 3™**

PRINT. COPY. SCAN. SHARE.

OPTIONS

Expand Functionality as Your Business Grows

True Adobe® Postscript 3™

- Supports Hot-Folder batch printing, secure PDF printing, job reprinting and easily integrates into the most complex printing workflows.

- Option includes a 320 GB Hard Drive which frees up network and workstation bandwidth.

320 GB Internal Print Server HDD

- Enables a print job to immediately transfer from the computer to the printer, freeing up your network and computers.

- Allows for the computer to be turned off, and, enables reprints of jobs directly from the printer control panel without using a computer.

SureColor T5270 | T7270

Professional
Imaging

PRINT. COPY. SCAN. SHARE.

MULTIFUNCTION OPTIONS

36" CIS Scanner and Copier Module

- Module integrates 36" scanning and copying capability to hardware and printer control panel
- Scan thin newspaper up to 1.3mm thick rigid media. Captures fine color detail at up to 600 dpi
- Copy and share scanned images between workgroups via Shared Folders or E-Mail
- Includes 320GB Hard drive module

SureColor T-Series Advanced Features

Professional
Imaging

BorderFree Printing

– Four-sided Borderless Printing – Top and bottom edges trimmed with Built-in Cutter (all printers except SureColor T2170/T3170/T3170x/T5170)

PosterBoard Printing

– Front-in Front-out board path for printing up to 1.5 mm thick posterboard (SureColor T3270/5270/7270 only)

SureColor Advanced Software

Professional
Imaging

The screenshot displays the Epson SureColor Advanced Software interface. At the top, it shows the printer model 'EPSON SC-P20000 Series' and 'S/N: WJ0E000033'. Below this, there are tabs for 'Printer', 'Print Settings', 'References', and 'Refresh Data'. The main area is a table of print jobs for the period '1/1/2017 - 12/31/2017'. The table has columns for Job Name, Total Cost, Media Type, Media Usage, Ink Usage, Completion, User Name, and Job Status. Below the table is a 'Summary of Selected Rows' section with a table of statistics.

Job Name	Total Cost	Media Type	Media Usage	Ink Usage	Completion	User Name	Job Status

Epson Printer Driver

– Simple and feature rich with media, formatting, and ICC profile settings

Epson Device Admin

– Same software as the Epson WorkForce Printers

Epson Job Accounting Tool

– Keeps track of all print jobs with cost down to hundredth of a mL

Simplified Printing & Management

Warranty and Service Program

Professional
Imaging

Standard 1-Year Epson PreferredSM Limited Warranty

- On-site, usually next business day service, or, whole unit exchange coverage
- Included technical support by phone Monday thru Friday
- Covers the printer and genuine Epson optional accessories

Optional Epson Preferred Plus Premium Service and Support Plans Up to 5 Years*

- Extends same Epson coverage when the standard limited in-box warranty ends
- Can be purchased at any time while still under an Epson Preferred Limited Warranty
- Provides up to 5-years of complete coverage from Epson*

* Limitations apply. Availability of coverage length availability depends on model. See www.Epson.com/support for details.

SureColor T-Series Summary

Professional
Imaging

Superior Image Quality, Accuracy and Consistency

– PrecisionCore Printhead provides superior line accuracy, color accuracy and consistency on a wide variety of media

Durable Pigment Ink

– UltraChrome XD / XD2 provides water / scratch / scuff resistant prints – important for CAD/GIS/Technical professionals

Versatile Media Handling

– Print Borderfree & direct to Rigid Posterboard – minimize labor time and costs

Low Ink Costs / High Capacity Inks

– Large ink cartridges up to 700ml/ SuperTank options

SureColor P-Series vs SureColor T-Series

Professional
Imaging

SureColor P-Series

Primarily High Quality/ Color Critical Needs

Specialty Media (Photo paper/ Canvas /etc.)

Connectivity: Print connected to a computer

SureColor T-Series

Primarily “Lines and Signs”

Plain Paper (Poster paper, Poster Board, Vellum)

Features: Scanner, PostScript, Copy, etc

Specifications are Subject to Change Without Notice

1. Print speeds are based on the print engine speed only. Total throughput time for any print depends on workstation configuration, file size, print resolution, ink coverage, networking, etc. Actual print speeds will vary.
2. Compared to other Epson T-Series models in lineup.
3. The SureColor T-Series products use only genuine Epson-brand cartridges. Other brands of ink cartridges and ink supplies are not compatible and, even if described as compatible, may not function properly.
4. Compatible scanners for Epson Document Scanner to Printer include the DS-530, DS-7500, DS-7000. Print Directly From Mobile compatible printers include the T2170, T3170, T3170X, T3475, T5475, and T5470M.
5. Max Print resolution of 1440 x 2880 available on SureColor T3270, T5270, T7270, T5270D, and T7270D. Max print resolution of 1200 x 2400 on SureColor T2170, T3170, T3170X, T3475, T5475, T5470M
