171Z VEGA A DINING CHAIR

By Anthony Guerrée

Vega chairs are named after the North Star of the Past and the Futures. Sculptural and totemic in shape, the three-legged chairs designed by Guerrée are crafted in solid timber and feature an upholstered seat. The imposing appearance contrasts with the delicate curve of the crescent moon backrest. In a playful game of opposites, Vega A and Vega B can be differentiated by the orientation of their backrests.
