

DE LA ESPADA

680Z TWENTY-FIVE ARMCHAIR WITH MANTA GIL

By De La Espada Atelier

This special edition Twenty-Five Armchair is upholstered in a Manta Alentejana, a traditional blanket from the Alentejo region of Portugal with a heritage reaching back over a century. The pattern and colours of the textile were custom-designed and traditionally woven by artisan blanket-weavers. The alignment of the pattern across the chair was selected to achieve the most aesthetically pleasing composition.

Twenty-Five Chair is a solid wood dining chair that nods to barrel making; its curved backrest is made from ten components carved and joined. Shortened armrests allow for relaxed comfort and more flexible sitting positions within the chair. The design reflects Scandinavian and Portuguese influences realised in premium solid wood and luxurious custom upholstery.
