683 TWENTY-FIVE DESK

By De La Espada Atelier

Twenty-Five Desk is a reimagining of the typology, offering flexible seating with no front or back. Inspired by the work of Charlotte Perriand and the organic shape of gourds, the solid wood desk has been designed to take centre stage in a room with its welcoming shape and tactile detailing. Comfort and haptic qualities were deeply considered in its creation, from the thick desktop and inviting edge profile to the solid wood legs with the subtle scooped-out detail showcasing the beauty of the material. Twenty-Five Desk's cable management system features a contrasting cover made in stone and brushed brass.

Twenty-Five Desk includes a single drawer with a soft-close mechanism and can seat up to 2 people.
