

### Extra Refuse

- Residents may place up to five (5) extra bags of trash out for collection next to the brown trash cart.
- Use black plastic bags, no larger than 32-gallons and 50 pounds each. Personal containers will not be emptied as they are easily broken by the hydraulic arms of the truck.
- Additional trash bags beyond the 5 included are \$3.00 each (same requirements as above). Please call 608-257-4285 at least one day prior to your pick-up day to schedule and pay for the additional bags.
- If you consistently have extra trash, you may want to consider renting an additional cart for an annual fee (\$99 in 2022).
- If you have more than the allowable amount or miss your collection, you may take your refuse to the Dane County Landfill (<https://landfill.countyofdane.com/about/location>).
- Dumpsters should be utilized when large amounts of refuse is expected, such as move-outs or major construction. Please call Pellitteri Waste Systems at 608-257-4285 for pricing on our dumpsters. Coupons are available on your collection calendar!

### Acceptable Curbside Bulk Waste

Bulk waste items should be placed near your regular refuse cart on your regular day by 7:00 am. If we are unable to pick up the item with the normal truck, it will be picked up the next day with a different truck.

- Non-metal furniture: couches, chairs, mattresses, box springs, etc.
  - Sofa-sleepers must have the metal bed frame removed before being set out for collection. The frame can be brought to the Public Works Drop-Off site separately. Or call for a paid pick-up option.
  - Mattresses and box springs must be placed in a plastic or vinyl storage bag prior to pick-up. These bags can be purchased at most hardware or moving stores.
- Carpeting and carpet pads
  - Must be rolled up and bound. Rolls must not be more than 4 feet in length and 2 feet in diameter, nor weigh more than 50lbs per roll. Please keep them dry; do not set out on a rainy week.
- Toilets and sinks
- Remodeling materials
  - Small loose items should be placed in bags and set out as part of the 5 extra allowed bags (black plastic bags, no heavier than 50 pounds, no bigger than 32-gallons).
  - Wood and drywall material must be cut down to 3-foot lengths and piled neatly. Nails must be removed or pounded in so they're not a safety hazard for manual collection.
  - For remodeling materials over this amount, please call Pellitteri Waste Systems for a dumpster at 608-257-4285, or you may utilize the Dane County Landfill.

**Options for large items/appliances that are NOT included in weekly bulk pick-up service:**

If you are unable to transport your large appliances or other items not included in the bulk pick-up service, you may request a special scheduled pick-up through Pellitteri Waste Systems for a fee. To schedule a special item pick-up or information on other disposal options, call 608-257-4285 or email [info@pellitteri.com](mailto:info@pellitteri.com) (be sure to include your address and a list of items).

**Items that can be taken to Public Works Drop-Off site:**

If you can transport the following items, they can be brought to the [Public Works Drop-Off site](#):

- Large appliances (refrigerators, stoves, etc.)
- Metals (including items made of 50% or more metal)
- Lawn mowers and grills (empty of oil or gas)
- Bicycles
- Electronics (TVs, computers, printers, etc.)
  - A fee applies for these items; see Drop-Off Site page for fee information.
- Large auto parts (engine blocks, fenders, etc.)
- Stone, concrete, rubble, earth, sod
- Tires from personal (non-commercial) use
  - Must be off the rim. A maximum of 4 tires may be dropped off per household, per day. Fee applies.
- Car batteries
- Waste motor oil

**Extra Recyclables**

- Residents with extra cardboard may bring it to the Drop-Off site and put it in the Residential Cardboard Dumpster. Cardboard must be flattened. Proof of residency must be shown before dropping off. Other types of household recycling that can normally go in the cart are not accepted at the facility.
- All recyclables must fit in the cart with the lids closed.
- If you have more recyclables than will fit in your cart, additional bags of recyclable are \$3.00 each. Please call 608-257-4285 at least one day prior to your pick-up day to schedule and pay for the additional bags.
- Additional bags of recycling must be in clear plastic bags, no larger than 32-gallons and no heavier than 50lbs.
- If you consistently have extra recycling, you may want to consider renting an additional recycling cart for an annual fee (\$99 in 2022).
