

Village of Belleville

New Collection Day – Monday

Monday is your new trash and recycling collection day.

Your trash and recycling collection day will change from Wednesday to Monday, starting on April 1st. Your recycling week is not changing.

About 100 homes are impacted by this change, which is being made to balance out routes so we can serve you in a more timely and efficient manner.

Thank you in advance for your cooperation and understanding.

Download our mobile app to get collection day reminders or view the calendar at pellitteri.com/village-of-belleville.

Important:
Your collection day is changing to Monday!
