- Cart placement instructions – automated collection requires your cooperation
- Recycling information
- A calendar of your scheduled every other week recycling, including holiday schedules

City of Wisconsin Dells

COLLECTION INFORMATION

QUICK *Overview*

- The City of Wisconsin Dells scheduled service day is Wednesday. Please refer to your calendar to see how holidays affect the schedule.
- The blue cart is for your recycling. The all-in-one recycling system allows you to put all of your recyclables in one cart. Please do not put any trash in your recycling cart.
- Blue recycling carts are serviced every other week. Your collection calendar designates which weeks you should put your recycling cart out to be serviced. Recycling carts placed outside for service on the wrong week will not be collected.
- Carts must be set out by 7:00 A.M. and placed in the correct position for service. Pick-up times may vary from week to week.
- All carts are the property of Pellitteri Waste Systems. Please do not take the carts if you move. You are responsible for any missing carts or damages to the carts other than normal wear and tear.
- If you ever have extra recyclables that do not fit in your cart, you may place them in a clear plastic bag next to your cart. They will be picked up at no extra cost.

ADDITIONAL INFO IS LOCATED ONLINE AT www.pellitteri.com

At www.pellitteri.com, you can find additional information specific to the City of Wisconsin Dells. Please click on the residential tab to view:

- Lists of additional items that can be recycled as they become available
- Weather related service information
- A calendar of your scheduled every other week recycling, including holiday schedules.

City of Wisconsin Dells

COLLECTION INFORMATION

CART PLACEMENT *Instructions*

PLACEMENT *of the Cart*

Please place your cart on level ground and at least 4 feet apart from any other obstacle. The cart needs to be within two feet of the street. The best placement for the cart is at the end of the driveway or on the grass within 2 feet of where you have been placing your bagged recyclables. We recommend placing the cart on one side of your driveway. The cart cannot be collected if they are improperly placed. In the winter, you may need to shovel out areas for your cart just like you do for mail delivery. Be sure the areas are away from obstructions like mailboxes, trees and cars. Please do not place carts in the street.

LOADING OF *Your Cart*

We recommend bagging your recyclables so they won't stick to the inside of the cart. This will also help to keep the cart clean on the inside and prevent windblown litter. Do your best to break down cardboard boxes being placed inside the cart so they don't lodge themselves inside and make it impossible to dump. Do not flatten any other items being placed in the cart.

FACE THE CART *Towards* THE STREET

Put your cart in it's proper place so the arrows on the lid of the cart will point towards the street. The serial numbers on the front of the cart should also face the street. By placing your cart correctly it is easier to dump and it will be much less likely to spill.

GIVE US *Room*

With the automated collection trucks we need some room away from obstructions like trees, mailboxes and cars. Please place your cart 4 feet away from such obstructions.

BULKY ITEMS, APPLIANCES *and Special Waste*

THE FOLLOWING ITEMS OR TYPES OF WASTE REQUIRE *prepayment and special instructions to follow:*

- White goods (appliances)
- Furniture
- Large items or any item that does not fit in the cart
- Tires
- Construction/Demolition/Remodeling Waste
- Roofing
- Siding
- Electronics
- Basement cleanouts
- Brush / trees and garden / yard waste

Please make a list of the items you want to discard, including the type of material they are made out of, then call our office at (608) 257-4285. We will give you instructions and schedule your pickup on the next available date.

If you have large amounts of material to discard please visit our website or call us about our temporary dumpster services. See your collection calendar for a special offer from Pellitteri Waste Systems!

We also offer Document Destruction Services if you have confidential papers to dispose of. Please call our office to make arrangements for this service.

HOUSEHOLD HAZARDOUS WASTES, PAINT AND CHEMICALS *are not* TO BE DISPOSED OF IN THE TRASH.

ITEMS THAT *contain*

- Explosives
- Gasses
- Solvents
- Corrosives
- Chemicals (including pool chemicals)
- Poisons
- Biological hazards including needles
- Freon and other coolants

- All require special handling and disposal. Please use the Dane County Household Hazardous Waste Clean Sweep collection site. For further information please visit www.danecountycleansweep.com
- Do not place any hot ashes in the carts – you will start a fire. You are responsible for any damages to the carts.
