City of Monroe Residents

Your Recycling Week May Be Changing

Pellitteri Waste Systems is proud to serve the City of Monroe with weekly trash and every-other-week recycling collection services.

Starting the week of Jan. 8th, 2024, we are splitting the city in half for recycling collection to serve the community better. Half of the city will continue its current recycling collection schedule (Week A); the other half will have a new recycling collection schedule (Week B). Refer to the map to determine if your address is on the Week A or Week B schedule.

- The week of Jan. 1st, recycling collection will occur as usual in the entire city, but will be delayed one day due to the New Year's Holiday.
- The week of Jan. 8th, half of the city will have recycling collection again as part of the new Week B schedule. See Week B on the map (orange areas).
- The week of Jan. 15th, Week A recycling collection occurs. See Week A on the map (yellow areas).
- To view the full 2024 collection calendar, go to pellitteri.com/city-of-monroe or cityofmonroe.org

You can also pick up copies of the map and calendar at City Hall.

Please note your collection day — Monday, Tuesday, Wednesday, or Thursday — is not changing.
