

## **Design & Production Internship**

**Start: Februari 2024**

### **Lune Active**

Lune Active is an athleisure brand committed to creating collections that blur the lines between sportswear and daywear. Founded to bring collections that balance between technical innovation and iconic design to fit the active lifestyle of today's sophisticated and conscious woman. From their Amsterdam based design studio, Lune Active explores the strength of simplistic shapes, never compromising on quality. In their design philosophy, they embrace individuality, encourage creativity, and strive to create the highest quality athleisure wear that compliments your daily routine. Lune Active aims to be suitable for anyone, at any moment and anywhere in the world.

### **You will assist our team in**

- The design process of new collections, making mood boards, doing research and creating tech packs.
- Measuring samples, attending sample fittings and creating tech packs.
- Communicating with the suppliers about design details, development, deadlines and further info.
- Making sure all sample collections are in house on time with the correct trimmings and accessories.
- Guarding the sustainable efforts we make in our collections, making sure the fabrics have the right sustainable resources and certifications.
- Assisting with pop up stores, events, sales etc whenever they occur.

### **Requirements**

- Currently enrolled in HBO or WO study program in a fashion production related degree.
- Preferably enrolled at AMFI, TMO or ARTEMIS.
- Perfect knowledge of excel.
- Strong analytical, result-oriented, highly effective communicator, structured team player with a positive work ethic and customer-focused mindset.
- Knowledge of Illustrator is a pre.

### **What we offer**

- A six-month, paid internship at LUNE Actives Design Studio at our HQ in Diemen
- A challenging work environment with room for own initiatives and ideas
- A young, ambitious and dynamic team with a relaxed informal working atmosphere

**If you think you would be a seamless fit with LUNE Active,  
please send your resume + motivation to [Leonie@luneactive.com](mailto:Leonie@luneactive.com)**
