A division of G&G Fitness Equipment

Experience the Gronk difference.

- ✔ **Founded in 1990** with corporate offices in Buffalo, NY. Over 30 years of proven experience.
- ✔ **Privately held, financially stable** company you can depend on.
- ✔ **Platinum commercial dealer** in North America for Life Fitness and Hammer Strength since 1998.
- ✔ **Wide Selection** of over 30 of the industry's premium brands.
- ✔ **Fitness & wellness partner** offering consultation and facility design, equipment, leasing, maintenance, and service.
- ✔ **Local fitness equipment experts** with highly trained fitness equipment specialists in 11 states.
- ✔ **Retail showrooms** in 15 locations to serve you throughout New York, Pennsylvania, Ohio, and Indiana.

Partnering with the best.

- ✔ **#1 Brand** of commercial fitness equipment in the world.
- ✔ **Global Provider** with over 2,000 employees in 10 offices worldwide, supporting fitness sales in 120+ countries.
- ✔ **Made in the USA** with manufacturing facilities in IL, KY, and MN.
- LifeFitness* **HAMMER STRENGTH®**
- ✔ **GreenToGo** is more than just a slogan, it's an initiative by Life Fitness to help save our world's resources and be better citizens of the planet.
- ✔ **Complete fitness solutions** including cardio, strength, group exercise, technology, service, support, and education.

"Gronk Fitness Equipment is proud to be the region's premier one-stop provider for the absolute best brands in fitness, since 1990. With my professional team of fitness experts, I confidently stand behind every order, from concept to completion and beyond."

Gordy Gronkowski

Owner, Gronk Fitness Equipment
G&G Fitness Equipment

Success by Design from concept to completion.

- ✔ **Our fitness experts and design team** will help you with every step of the process from concept to completion.
- ✔ **2D & 3D layouts of your facility** are designed to optimize utilization, ensure ADA compliance, and minimize liabilities.
- ✔ **Complimentary site evaluation** and needs analysis ensures your project goals are met. You can even schedule your free site evaluation online at [LiveFit.com](https://www.LiveFit.com).
- ✔ **Attention to detail** allows our fitness experts to consult on a variety of components including connectivity, infrastructure, flooring, equipment, training tools, and more.
- ✔ **Decades of experience** working with the many types of organizations we serve allows us to anticipate your needs, plan for the unexpected, and avoid complications.

Support Services

- ✔ **Factory Trained Professional Delivery** and installation team committed to on-time delivery and professional installation that exceeds your expectations.
- ✔ **Local Service Technicians** are factory trained and certified to provide fast, on-site support.
- ✔ **In-house Customer Service Support** team is dedicated to your needs.
- ✔ **Life Fitness Parts & Service Website** provides convenient parts ordering and tracking, software updates, and product support materials.
- ✔ **Preventative Maintenance Programs** and extended warranties are available to maintain your facility standards and minimize repair cost.
- ✔ **On-site product & maintenance training** for your staff.
