

GIVING BACK

Blue Tiger was founded in 2009 with a firm belief in taking care of those that take care of us. Since that time, Blue Tiger has regularly contributed to charitable causes centered around the needs of truck drivers nationwide. We proudly support efforts that assist truck drivers through life's many challenges from overcoming times of hardship to health and wellness education.

TRUCKER ORGANIZATIONS

80% of Contributions

Blue Tiger makes annual contributions to help over-the-road/regional semi-truck drivers and their families when an illness or injury has recently caused them to be out of work. The partnered program to date has assisted over 2,400 truckers in need.

TRUCKER COMMUNITIES

10% of Contributions

Blue Tiger is the primary event sponsor of partner charities dedicated to building the trucker community and helping create happier, healthier lives on the road. Our sponsored partner program donates passenger vehicles and trucks to drivers in need.

TRUCKER HEALTH

More than 3.5 million professional truck drivers in the U.S. have one or more serious health problems such as obesity, diabetes, sleep disorders, and cardiovascular disease. Blue Tiger supports health and wellness educational programs for drivers in hopes to prevent some medical illnesses.
