Silver series dash camera

Product Overview

- ①. OK/Power ②. Menu/Mode ③. Up/Locking ④. Down/Recording
⑤. Replay/Switch camera ⑥. Power Port ⑦. TF card slot ⑧. Rear Camera interface(optional)

Button functions:

1. Power&Record start/stop. Long press for Power on/off. Short press to start/stop recording manually.
2. Settings menu
3. Lock footage / Up
4. Record / Down
5. Playback
6. USB-C power port
7. Micro SD card slot. 32GB card included.

Accessories included:

- Dash Camera
- Trim Tool
- Suction Cup Mount
- USB-C DC Charger For Lightning Fast Connection
- 32GB Micro SD Card
- Quick Start Guide

Getting started:

Insert your included 32GB SD Memory card.

Plug in the DC charger to your vehicle.

Once the vehicle engine starts, the dash camera will automatically power on and start recording.

VLC Media Player: Download media player to view videos

- Windows
- Mac
- Android

GPS function:

A GPS icon (similar to a satellite image) will appear on the bottom left of your dash camera display.

When the GPS/satellite icon is green, GPS is active. When it is white, GPS is inactive.

GPS could take up to 2 minutes to calibrate based on location.

Setting your time zone:

Time zone defaults to CST (Central Standard Time).

To edit time zone for your first drive- visit settings, then time zone and edit + or - the number of hours away from CST.

Once set, if you travel into a different time zone- the time should automatically update and will not typically need to be reset again.

Industry Leading Customer Support

At Blue Tiger USA, we stand behind our products. We believe that our customer service does not end when we process your payment, but it continues for as long as you use our Dash camera.

One-Year Manufacturer's Warranty

- (1) Blue Tiger USA warrants that your product will be free from defects in material and workmanship for one year from the date of purchase. If, during the first year from the date of purchase, your product fails to work due to a defect in material or workmanship, Blue Tiger USA will repair or replace the product, at its election, free of charge. Without proof of purchase, the warranty period begins on the date of manufacture. Consumable components (for example, cushions and battery) are not included in this one-year warranty.

- (2) The foregoing limited warranty does not cover equipment failure attributable to accident, improper operation, misuse, abuse, or any cause other than defects in the materials or workmanship of Blue Tiger USA products.
- (3) Blue Tiger USA obligations under this warranty are limited to repair or replacement (at our option) of any defective part returned to Blue Tiger USA at the customer's expense. Returned products require a Return Authorization that may be obtained by calling 800-935-1165 or visiting BlueTigerUSA.com. Products returned to Blue Tiger USA for repair under this warranty will be return shipped to the customer at Blue Tiger USA expense.

(4) THIS LIMITED WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

Some jurisdictions do not permit the exclusion of implied warranties and the foregoing exclusions may not apply to you.

(5) In no event shall Blue Tiger USA be responsible for any other damages whatsoever, including direct, indirect, special, incidental, consequential, or other damages for breach of this or any other warranty, expressed or implied.

Blue Tiger® is registered trademark by North American Blue Tiger Company, LLC registered in the United States and other Countries.

FCC Compliance Statement

NOTE: This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following

measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

CAUTION: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the product.

ISED Compliance Statement

This device contains licence-exempt transmitter(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s).

Operation is subject to the following two conditions:

1. This device may not cause interference.
2. This device must accept any interference, including interference that may cause

undesired operation of the device.

L'émetteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:

1. L'appareil ne doit pas produire de brouillage;
2. L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

RF Exposure Compliance Statement

This equipment complies with IC RSS-102 radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

Cet équipement est conforme aux limites d'exposition aux radiations IC CNR-102 établies pour un environnement non contrôlé. Cet émetteur ne doit pas être situé ou fonctionner conjointement avec une autre antenne ou un autre émetteur.
