SLIP MARTINGALE

COLLAR SIZE	AVAILABLE WIDTH	NECK SIZE
L	3/4", 1", 1.5", 2"	18" - 26"
M	3/4", 1", 1.5", 2"	12" - 21"
S	3/4", 1", 1.5", 2"	10" - 16"
XS	3/4", 1", 1.5", 2"	8" - 14"

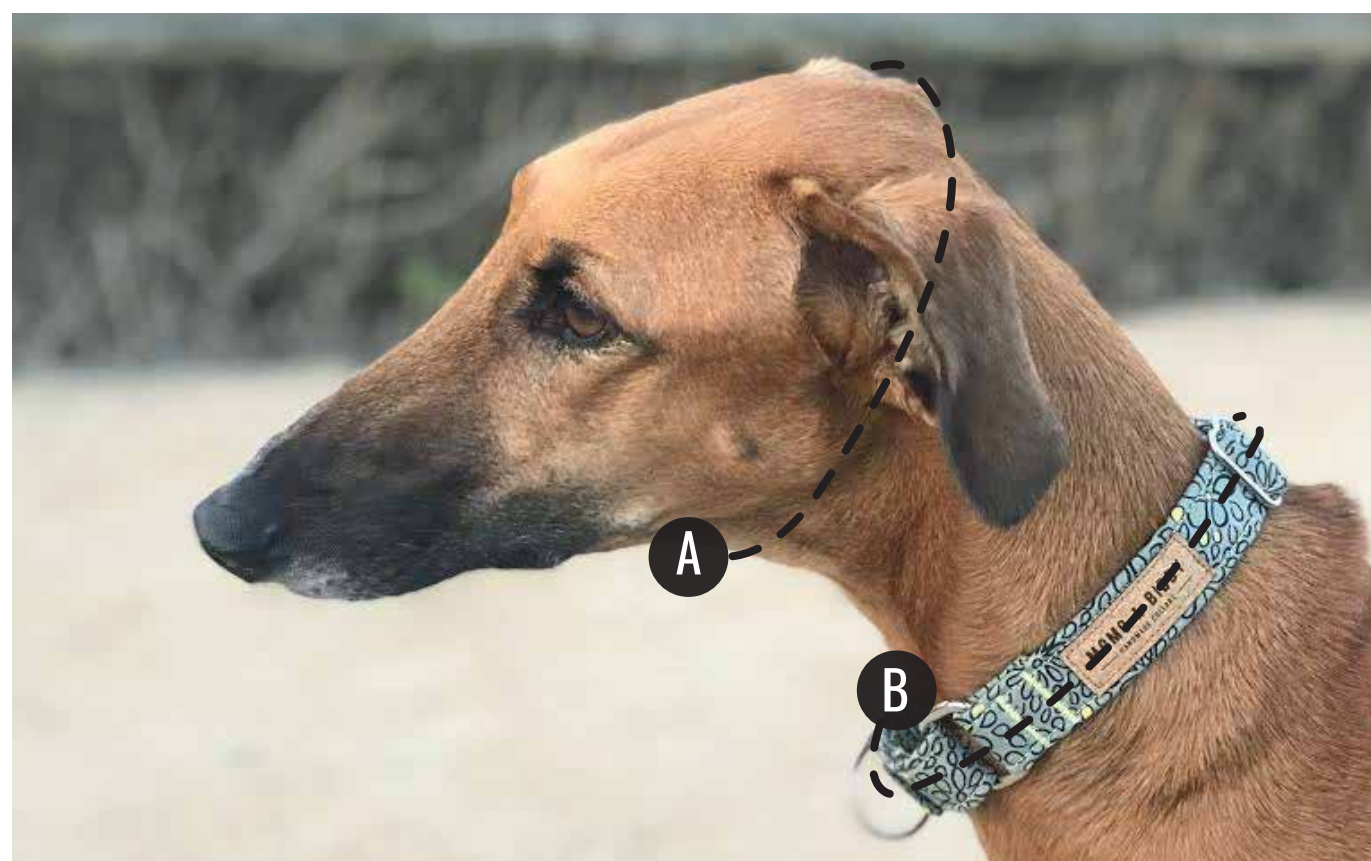

How to measure for a slip martingale:

(A) Measure the widest part of your pup's head, usually behind the ears.

(B) Measure around the neck where your pup's collar naturally sits.

We recommend measuring your pup's neck using a flexible tape measure to ensure the perfect fit!

CORRECT FITTING

INCORRECT FITTING

Select the collar size large enough to fit over the head, and adjust small enough to fit comfortably around their neck.
