

NW Italy Sept 2024 Itinerary

Turin to Verona: international tour #12

Includes: 9 Breakfasts • 7 Lunches • 8 Dinners

Please note this itinerary is not yet final. It is our intended framework, but due to the small size of many producers we hope to see, we often do not have final visits confirmed until approximately 30 days prior to departure. That said, we will have multiple info sessions leading up to departure updating guests on accommodations, free time in specific cities, travel considerations, etc.

Thursday, September 19

While we try to price all of our trips fairly, due to the variable costs associated with international travel over the past 3 years including fuel, accommodations, vehicle rentals, food, etc., The Wine Feed reserves the right to adjust the final price of this trip at its discretion. Any guest who has placed the 50% deposit required to reserve a space will be notified no later than 125 days before the trip departure of any price change. Final payment will be required 120 days before the trip, and deposits will not be returned after this date.
