INSPIRED BY TASTE

Spain and Portugal Wine & Food Tour

9-Nights

Start: Madrid, Spain → End: Porto, Portugal

September 18-27, 2020

Trip Vision:

Take an insider trip through Spain and Portugal with a focus on wine, food, and culture! Join us as we lead a small group through some of our favorite wine regions; introducing you to the wonderful producers who make our favorite world-class wines. We will limit the number of touristy sites in favor of experiences that highlight the phenomenal wines and gastronomy of the unique regions we visit!

There will be a mix of accommodation styles including large family homes near vineyards, and ideally situated hotels in bigger cities. Finally, we want all attendees to feel like part of our genuine, wine-loving community; so there may be opportunities to jump in and help with a meal, shopping trip, etc !
