# ASSEMBLY INSTRUCTIONS

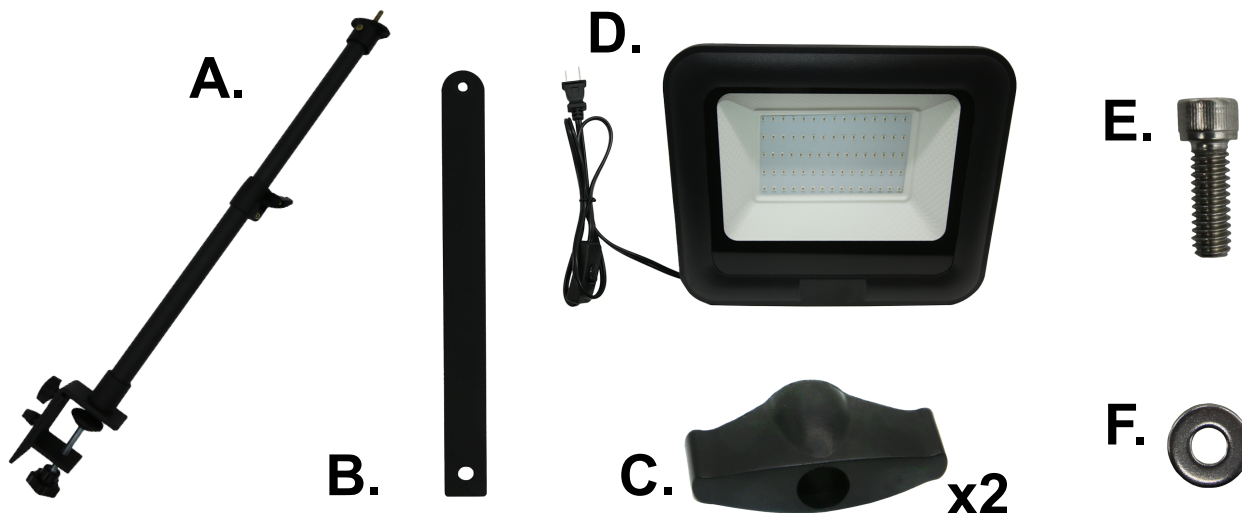

---

## Step 1

Attach piece (A) to the table by tightening the bottom knob firmly to the table.

## Step 2

Place part (B) on top of part (A).

## Step 3

Secure part (A) and (B) together with part (C).

## Step 4

Open up the handle on Piece (D) then, align the opening in the middle of the handle with the opening on part (B),

## Step 5

Take the screw (E) and insert in the opening, going upward. It should go through piece (B) and then piece (D). Then, Place the washer (F) over the screw.

## Step 6

Tighten piece (C) on top, securing the light into place on the extended arm.
