OJ Props WAKEPRO V-3

By refining our original superior design, we have produced our finest performing line of propellers. The Wakepro V-3 propellers boast an enhanced pitch distribution along with a new blade shape that produces better top end and low end power. Providing the best of speed and pulling power, the Wakepro V-3 outruns and over powers the competition.

WAKE PRO V-3 SPLINE LC ROTATION

PART #	SIZE	BLADE
