The April's Maple from Island Pond track is saved under email [bscvt400@gmail.com](mailto:bscvt400@gmail.com)

Go to <http://vtvast.org/trails.html> and select load button under Route planner on right side of map <enter>

Type the bscvt400@gmail.com email address. <enter>

Select Load Map and route will display.

To customize map, on Left side panel choose under Map Layers options. Fine tune what you see under For Your Ride and Where to Stop. Making map bigger helps as well! Great tool. Have a fun, safe ride.
