THE CURATORS

THE MASK PROJECT

A curated competition to support artists worldwide

DeadLine : July 20, 2020

A public vote
A prestigious Jury
\$3000 Cash Prizes
6 Winners
20 Works published and exhibited
\$1 of each submission fee will go to
Artists Relief Center x Covid 19

The mask is everywhere. Blank & anonymous, it appears as a constant reminder of the crisis we're all facing. And yet, the mask can be more than a piece of fabric : it can be a statement piece.

A piece to play, to hide, to hunt, to dance, to become more than oneself.

The members of the jury and The Curators are opening #THEMASKPROJECT to bring support to the artists communities, and challenge their creativity.

Painters, drawers, designers, stylists, inventors, poets and creators from all over the world are invited to participate and share their vision.

Let's turn masks into art.
